## BREEZE MECHANICAL

Paco Jaason In Wall Cistern Control Plates

Code: PJ-G3005008MC

## DESCRIPTION

Architectural trends developed after the 1980s brought up the preference of wall hung & concealed products in the bathrooms and kitchens instead of the old floor standing products due to aesthetic, functional & hygienic aspects.

In accordance with the new trends, concealed cisterns and wall hung bowls have been developed to be replaced with floor standing toilet bowls and exposed integral ceramic cisterns or suspended plastic cisterns.

Compared to the old type applications; concealed cistern-wall hung bowl combination has the advantage of : Space saving, aesthetic view and hygiene.
