WILCO

Gen11 Slim In Wall Cistern for Floor Pan

Product Code: WILCO-T04-0130

Dimensions

500mm (w) x 100mm (d) x 468mm (h)

DESCRIPTION

Wilco, a subsidiary of Fluidmaster USA, concealed cisterns represent the perfect combination of quality, aesthetics and functionality. Only 100mm in thickness, the super slim cisterns comfortably fit within walls, while the 3-4.5 litre dual flush buttons help saving water.

All Wilco cisterns are equipped with ultra silent flushing mechanisms, and include a directed water stream technique to ensure noiseless refilling. Small and stylish, the plate is no more than 247x165 mm in size.

Wilco cisterns are designed to offer problem-free performance year after year even with hard water conditions.
