## WILCO

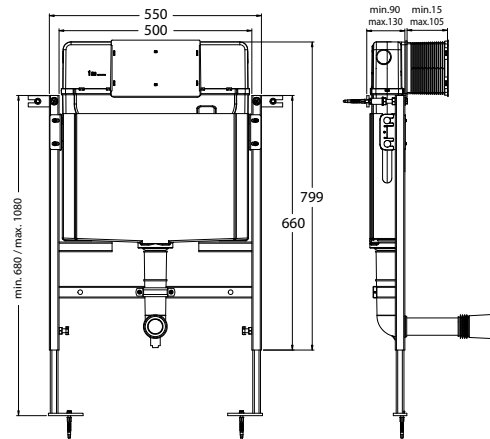

In Wall Cistern with Lite Frame for Floor Pans

Product Code: WILCO-T02-2133

### Dimensions

550mm (w) x 100mm (d) x 799mm (h)

## DESCRIPTION

Wilco, a subsidiary of Fluidmaster USA, concealed cisterns represent the perfect combination of quality, aesthetics and functionality. Only 90mm in thickness, the super slim cisterns comfortably fit within walls, while the 3-4.5 litre dual flush buttons help saving water.

All Wilco cisterns are equipped with ultra silent flushing mechanisms, and include a directed water stream technique to ensure noiseless refilling. Small and stylish, the plate is no more than 247x165 mm in size.

A light metal frame makes it very simple to install this cistern in the wall cavity. Wilco cisterns are designed to offer problem-free performance year after year even with hard water conditions.

## PRICING STRUCTURE

Retail Pricing:  
WILCO-T02-2133  
\$363.00 gst inclusive
